

CHEF JUDGING

Team:

Judge:

Breakdown of score:

During the competition, chef judges may ask any team member questions pertaining to the preparation and cooking of any of their team's products.

Points will be determined using the following criteria. One mark is given for each of the below to a total of five points.

Are the products easily cooked?	/1
Has the team exhibited an understanding of the correct cooking methods and cooking times for their products?	/1
Does the range of products make you feel inspired and show a high level of creativity?	/1
Would the products deliver a high quality eating experience?	/1
Would the products be appealing to a customer?	/1
